

PROHIBITION AGAINST SEXUAL HARASSMENT

Students who engage in sexual harassment on school premises or off school premises at a school-sponsored activity will be subject to appropriate discipline, including suspension or expulsion/dismissal. Such activity, at any time, which affects school purposes shall be grounds for similar discipline.

Sexual harassment is any activity of a sexual nature that is unwanted or unwelcome, including but not limited to, unwanted touching, pinching, patting, verbal comments of a sexual nature, sexual name-calling, pressure to engage in sexual activity, repeated propositions, and unwanted body contact.

The school's normal disciplinary procedures will be followed in determining the appropriate consequences for the sexual harassment. In the event the administration recommends suspension, expulsion, or dismissal as a result of the conduct, due process will be afforded to the student in accordance with the district's suspension/expulsion/dismissal procedures.

In order to effectively enforce this policy and to take prompt, corrective measures, it is essential that any and all incidents of sexual harassment be reported to the principal, assistant principal, or a guidance counselor.
