FOR IMMEDIATE RELEASE

April 22nd, 2020

The Steuben County Health Department was notified of one (1) positive COVID-19 test results for Steuben County residents. This patient is under the age of 60 years old. We have been in communications with the patient and the Indiana State Department of Health epidemiologist to identify, notify and monitor any close contacts. No additional information about the patient will be released due to patient privacy laws.

Steuben County currently has 18 COVID-19 positive cases, 8 individuals considered recovered from COVID-19 and 1 death associated with COVID-19. To date, 343 tests have been administered in Steuben County.

The Indiana State Department of Health has released information that the COVID-19 drive-thru testing location at Ivy Tech, 3800 N. Anthony Blvd., Fort Wayne, Indiana has been extended. **The drive-thru clinic will be open from April 20th-24th and will be open for operation from 9 A.M. to 6 P.M, while testing supplies last.** The testing is available to any individual who have symptoms associated with COVID-19 and qualifies in one of the following categories:

- healthcare worker,
- first responder,
- essential worker,
- symptomatic individuals who live with any of these individuals, or
- any individuals who are symptomatic with underlying medical conditions that put them at higher risk (i.e. obesity, high blood pressure or heart disease)

Any person seeking testing must provide qualifying proof of employment and a valid form of identification. Other restrictions may apply.

If you have any questions about coronavirus or COVID-19, please contact the Steuben County Health Department at (260) 668-1000 Ext. 1500.

For coronavirus or COVID-19 information or screening, please call Cameron COVID-19 Resource Screening line **7 a.m. – 7 p.m.** at (260) 667-5555, including a voicemail for returning calls.
