Dear MSDSC Families,

I want to let you know that the Metropolitan School District of Steuben County will be moving to virtual learning district-wide for all students on Wednesday, Thursday, and Friday. All schools will be closed for in-person learning during these days so our teachers can focus all their efforts on working with their students through remote learning.

I wish I could have given you more advance notice, but we needed to move quickly to protect our students and staff members from the spread of COVID-19. The three days of virtual learning before Christmas break will hopefully go a long way in keeping everyone safe through the holidays. We will plan on returning back to school for in-person instruction on Monday, January 4, 2021.

Thank you once again for your support of our school district. I hope everyone enjoys the holiday season.

Sincerely,
